

END USER LIMITED WARRANTY AND WARRANTY SERVICE

U.are.U Readers

The warranties provided by Cross Match Technologies, Inc. ("**Crossmatch**") hereunder apply only to the U.are.U Single Finger Reader hardware ("**Hardware**") You originally purchased from Crossmatch or an authorized Crossmatch partner for your personal or business use, and not for resale. Your Hardware you purchased may include embedded software, printed material, and online or electronic documentation ("**Software Product**"). The Software Product is licensed, not sold, as set forth in the accompanying End User License Agreement in the installation screen, or in a Docs folder.

Limited Warranty. Crossmatch represents that the Hardware (except any Software Product) will be free from defects in the workmanship for a period of one (1) year from the date of purchase (the "**Hardware Warranty Period**"). If you discover a defect covered under this limited warranty, Crossmatch's sole obligation, and your exclusive remedy, shall be, at Crossmatch's option, either (a) to return the price paid, if any; or (b) to replace the Hardware using new or remanufactured components. Any replacement of the Hardware will be warranted for the remainder of the original Hardware Warranty Period.

The limited warranty granted above shall be null and void if failure or defects relating to the Hardware has resulted from acts of God, accident, viruses, worms and other such harmful code, abuse, misuse, mishandling, excessive wear and tear, misapplication, use of corrosive, abrasive or improper cleaning materials, improper modifications or activities intended to circumvent the security processes incorporated in the Hardware, or for causes unrelated to defects in the Hardware. This warranty also does not apply to any product with an altered or defaced serial number. Unauthorized opening of the Hardware case automatically voids any warranty.

Warranty Service. To obtain your remedy under this warranty you must deliver the defective product and the original sales receipt to the place of purchase. For purchases made directly from Crossmatch, you must first contact Crossmatch Customer Service and obtain a Return Merchandise Authorization ("**RMA**") number before returning the product to Crossmatch. You must pre-pay shipping charges to return the product to Crossmatch and insure the shipment or accept the risk of loss or damage during shipment. Crossmatch shall not be responsible for any returned product that is not packaged properly or is returned without a valid and visible RMA number.
